GENERAL INFORMATION

This information is offered to assist guests when making their reservation and to take account of the recent Le Mans Classic 2012 announcements made by the race organisers.

We participate at the Le Mans Classic events as Club "Le Mob" and to take advantage of the special club facilities available to us we are required to comply with the organisers rules and regulations. It is because of this we feel it necessary to provide our guests, deemed honorary members of Club "Le Mob", with the following information.

Club "Le Mob" inside circuit privileged parking enclosure.

We have our own designated club parking enclosure situated inside the circuit. It is a requirement of the organisers that club parking enclosures provide visitors to the Le Mans Classic with an interesting display of pre "66" classic cars and high performance sports cars. Therefore only those arriving in cars which are pre "66" or comply with a selected list of accepted vehicle types and models known as the "Happy Few" can be allowed in the Club "Le Mob" enclosure. See details below. Non complying cars will need a modern car pass and park in the "Modern" non complying carpark on the outside of the track.

Club "Le Mob" Circuit and Paddock Entry Passes.

These passes must be presented on entry to the circuit and the enclosure. Our Club "Le Mob" passes automatically include entry to the Paddocks.

Club Stand Tickets.

The organisers have designated certain stands on the circuit for the Clubs. These will be clearly marked at the circuit and guests have access to them all with their Club Stand pass.

Track Laps

As in previous years the number of "Track Laps" available are strictly limited and allocated by the organisers. Participants drive, normally for three laps of the full Sarthe circuit, behind a pace car at designated times on the Saturday morning before the racing starts. The tickets are available on first come first served with a full refund made to those who are unsuccessful in gaining a place. Participants must be in a car that is eligible for our enclosure i.e. Pre "66" or from the list of "Happy Few". See Below. You are advised that our track lap session may be any time after 8.00am in the morning. We will give you prior notice of the exact time but you should be prepared to get to the circuit at least 30mins before you allocated time. Cars will be escorted from our enclosure to the track entrance.

Reserving Track Laps

All requests for our Track Lap passes must be accompanied by payment in full. We regret that we are unable to consider applications submitted without payment. We will advise you if your request for track laps is successful and if not refund you the full amount paid.

Confirmation of Circuit Booking

You will receive a formal confirmation of your reservation including circuit passes by email or post. Please note all circuit passes will be found in your welcome pack on arrival at Le Mans.
